

November Veterans FedVTE Webinar

Veterans, jumpstart your cybersecurity career today!

Please join the Department of Homeland Security's (DHS) Cybersecurity Education and Awareness (CE&A) Branch to learn about the Federal Virtual Training Environment (FedVTE). FedVTE provides FREE cybersecurity training to U.S. federal, state, local, tribal and territorial government employees, along with U.S. Military Personnel and Veterans.

The November Veterans FedVTE Webinar will walk through how to register for a FedVTE account and explore training and education resources available for Veterans interested in starting a cybersecurity career. The webinar will be held twice in November. Please see dates and details below.
